

**Charles University
Faculty of Pharmacy in Hradec Králové**

Dean's Directive No. 6/2024

To provide for the possibility to continue studies in an identical or similar programme of study

This Dean's Directive is issued to implement Rector's Directive No. 9/2024, details on provision for the possibility to continue studies in an identical or similar programme of study in case of termination of accreditation and right to offer a programme of study under institutional accreditation:

Article 1

Subject Matter of the Directive

1. This directive provides the details and organisational matters enabling the continuation of studies in an identical or similar programme of study at the Faculty in case of termination of accreditation of the bachelor's, master's and follow-up master's programme of study entitled:
 - Medical Bioanalytics, field of study Medical Laboratory Technician
 - Pharmacy, study field Pharmacy
 - Medical Bioanalytics, study field Specialist in Laboratory Methods
2. The programme of study is specified and implemented through curricula.
3. A completion-of-study curriculum is designed for students to be able to complete their studies without any major changes in a newly accredited programme of study.

Article 2

Successor Programme of Study

The Internal Evaluation Board of Charles University determined that the following programmes and fields of study, whose accreditation has been terminated, are similar in terms of content to the following programmes of study:

Study programme, whose accreditation terminates (incl. field of study)	Accreditation Termination Date	Successor Programme of Study	Resolution Date	Resolution Ref. No.
Medical Laboratory Technician	31.12.2024	Laboratory diagnostics in health care	28.8.2018	UKRUK/112607/2018-16
Pharmacy, Pharmacy	31.12.2024	Pharmacy	28.8.2018	UKRUK/112607/2018-15
Specialist in Laboratory Methods	31.12.2024	Bioanalytical laboratory diagnostics in health care	23.9.2019	UKRUK/271131/2019-7

Article 3

Date of Assignment to the Completion-of-study Curriculum

1. Students studying in the 2024/2025 academic year in the programme of study Medical Bioanalytics, field of study Medical Laboratory Technician, whose accreditation has been terminated, and persons whose study in this programme of study has been interrupted, will be assigned to the successor programme of study and to the completion-of-study curriculum as of 1. 10. 2024.
2. Students studying in the 2024/2025 academic year in the programme of study Pharmacy, field of study Pharmacy, whose accreditation has been terminated, and persons whose study in this programme of study has been interrupted, will be assigned to the successor programme of study and to the completion-of-study curriculum as of 1. 10. 2024.
3. Students studying in the 2024/2025 academic year in the programme of study Medical Bioanalytics, field of study Specialist in Laboratory Methods, whose accreditation has been terminated, and persons whose study in this programme of study has been interrupted, will be assigned to the successor programme of study and to the completion-of-study curriculum as of 1. 10. 2024.

Article 4

Final Provisions

This Directive is valid from the date of its signature and takes effect on the date of its publication.

In Hradec Králové on 7th May 2024

doc. PharmDr. Jaroslav Roh, Ph.D.
Dean of the Faculty
